

PL#8 AF&AM

Greetings from the East.....This is the second edition of the Beehive newsletter. I hope everyone had a Blessed and joyous Easter season! Well, let's get right to it-we conferred a couple of great degrees, and are continuing to plow forward in our work. The next scheduled stated communication is Tuesday, 09 April 2024, and we will be discussing the proposed budget for next year. It is very important and greatly encouraged for an increased turn out. If you want to voice your concerns in our work and it's employments, you must attend to vote. We will also be scheduling our next slate of degree work, stay tuned for more information. Be prepared to perform a role! Our monthly fellowship breakfast is Saturday, 06 April 2024, starts at 0800 AM; always a great opportunity to get together with community members. As always, thank you to all the brethren, and especially the officers of this lodge and across the district as we endeavor to do more work together and improve ourselves in Masonry.
