Report from Grand Lodge:

Grand Lodge presided over by R. W. Robert Rideout due to the Grand Master being declared disabled by the Board of General Purposes.

Friday action – Preliminary report of Grand Master Kehler, final report of Grand Master Fraiser, reports of the Judge Advocate and Committee of Appeals. All proposed amendments tabled until next year due to Grand Secretary not giving prior notice of amendments as required by the Code. Lion and Pillar Awards for 2024 were presented. After lunch presentations were made by representatives from DeMolay, Rainbow, MHCO, and WhiteStone.

Saturday action – adoption of 2025 budget and election of Grand Officers. Grand Master and Deputy Grand Master were installed due to the disability of Grand Master Kehler and the provision in the Code that the office of Grand Master cannot be vacant. All current Grand Officers were advanced to the next position in the line and Brother Julian Setzer was appointed Junior Grand Steward by Grand Master Rideout.

It should be noted that there were 775 eligible ballots. There were 265 out of 353 lodges or 75% of the lodges represented due to the bad weather in the western part of the state. This was about 60% of the attendance last year.

Kenly Lodge was represented by Master – Andy Adams, Sr. Warden – Ryan West, and Jr. Warden – Mike Carson.

Respectfully Submitted,

Andy Adams, Master
