Re: Your Lodge Needs You

Brethren,

Currently there are only 51 members of Selma Lodge #320, on average we only have 7-9 members show for a Stated Communication. We meet on the 1st and 3rd Tuesday of each month. The same 6 or 7 officers are "rotating" through the chairs each year.

It has been said that your Lodge is a "do-nothing Lodge". Sustaining energy and momentum can be challenging for those who consistently attend, yet these Brothers continue to serve to the best of their ability. The Lodge would greatly benefit from broader participation and renewed commitment from its membership. Every member's unique contributions are valuable, and the collective participation of everyone is what helps the Lodge thrive.

It has also been said, "if I attend the Lodge on a regular basis, I will be asked to fill a chair". Yes, you maybe "asked" to fill a chair when needed. However, if you do not wish to fill a chair, "just say no", your wishes will be honored.

There are some of you that are physically unable to attend. That is understood. There are those who would like to attend but need a ride. Let the Lodge know that you are in need of a ride and every effort will be made to find you a ride.

Brethren, it is time to make a decision. You need to decide if the Lodge will continue to exist or go dark. The decision is yours to make.

Your Lodge needs you! Come join us, for the Comradery, Friendship, Brotherly Love and a great meal.

Fraternally

Grover T Dees, Master
