

The Grand Lodge Committee on Masonic Education presents **THE MIDDLE CHAMBER PROGRAM**

Crafted for brothers searching for a deeper, more esoteric interpretation of our symbols and allegories. Each session – facilitated by “well-informed” brethren – utilizes a mixture of open discussion, self-study, and contemplative exercises to investigate the Mysteries of our Order.

The Middle Chamber Program provides North Carolina Masons an opportunity to explore the rituals and symbols of the Craft and improve themselves as men and Masons. Instructors are experienced Masons specially trained to assist each brother as he examines the Masonic rituals, himself, and his relationship with Deity.

Four sessions are offered and are progressive in nature – that is, you must have completed each of the previous sessions in order to continue to the next session:

Entered Apprentice Session
Introduction to the First Degree:
The Physical Nature of Man

Fellow Craft Session
Introduction to the Second Degree:
